Reports Analysis Division

Re: Mississippi Republican Party
C00084368

Dear Mr. Morse:

This letter is in response to your two notices dated May 12, 2004 and May 5, 2004. Please be advised that we inadvertently reported our salaries and wages on the incorrect line of the report. Furthermore, due to filing several amendments, some of our year to date totals must have become incorrect. Therefore, we have filed amended reports for the months of February, March and April which will hopefully correct all of these issues.

Please see FEC reports 120087, 120091 and 120096 for further clarification.

Thanking you in advance for your attention to this matter.

Sincerely,

Thomas B. Butchart, Treasurer
